ERRATUM

V minulém čísle časopisu byl v článku Fiala Hynek, Berta Emil, Gabrhelík Tomáš, Šafránek Petr: „Má mírná terapeutická hypotermie stejný vliv na výsledný neurologický stav nemocných po resuscitaci v nemocnici, mimo nemocnici pro defibrilovatelný a nedefibrilovatelný rytmus?“ na s. 223 omylem otištěn 2krát stejný graf. Otiskujeme správný graf:

Obr. 4. Neurologický stav při propuštění z nemocnice (rok 2010)

Autorům i čtenářům se za chybu omlouváme.
